We ask that You grant them wisdom, patience, and insight as they gather and work for the common good of the people of South Dakota. 10 (Jenna), Hajek, Tyler, and Verchio and Senators Tidemann, Hunhoff (Jean), Van Gerpen, and
11 Welke at the request of the Interim Education Funding Formula Study Committee

12 A CONCURRENT RESOLUTION, Encouraging school districts to build on their individual
13 strengths by working together with other school districts to provide a rich educational
14 opportunity for all students.

15 WHEREAS, school districts across the state, and especially those in remote, rural areas,
16 sometimes lack the staff and resources needed to provide students with the course offerings, co-
17 curricular activities, or other educational services or opportunities that are necessary or would
18 serve to enhance the students' learning and educational experiences; and

19 WHEREAS, by working together, school districts can overcome many of the challenges they
20 face by sharing programs, equipment and other resources, and staff, including administrators,
21 teachers, and counselors; and

22 WHEREAS, the use of technology in recent years has allowed school districts to share
23 curriculum, teachers, and programs much more efficiently and effectively by taking away many
24 of the costs and geographic barriers that once prevented such collaboration; and

25 WHEREAS, these cooperative efforts among school districts not only benefit students, but
26 they also benefit the entire communities in which the students live, and all the state's citizens:

27 NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the Eighty-
28 Ninth Legislature of the State of South Dakota, the Senate concurring therein, that the South
29 Dakota Legislature supports and appreciates all the collaboration that is already taking place
30 among the state's school districts, and encourages further cooperative efforts to provide all the
31 state's students with the best educational opportunities possible.

32 Was read the first time and the Speaker waived the committee referral.

1 HCR 1002 Introduced by: Representatives Sly, Dryden, Duvall, Hajek, and Tyler and
2 Senators Tidemann, Hunhoff (Jean), Sutton, Van Gerpen, and Welke at the request of the
3 Interim Education Funding Formula Study Committee

4 A CONCURRENT RESOLUTION, Recognizing the teacher shortage in this state and the
5 difficulties school districts in South Dakota face in attracting and retaining qualified
6 teachers.

7 WHEREAS, school districts across the state, and especially in the rural areas, are struggling
8 to keep good teachers and to fill teacher vacancies; and finding teachers for mathematics,
9 science, special education and other areas of critical need is particularly difficult; and

10 WHEREAS, this shortage is due to a variety of reasons including the financial hardships that
11 many school districts have recently endured which caused them to ask teachers to do more with
12 less, and in some instances, to freeze or even cut teacher pay for one or more years, and to
13 reduce the benefits provided to teachers; and

14 WHEREAS, fewer and fewer college students in the state are seeking education degrees
15 with plans to enter the teaching profession, and many of those already in the teaching profession
16 are leaving it to pursue other opportunities; and

17 WHEREAS, the salaries paid to teachers in some surrounding states are significantly higher
18 than the salaries paid to teachers in South Dakota, and that is enticing some of our teachers to
19 cross the state border:

20 NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the Eighty-
21 Ninth Legislature of the State of South Dakota, the Senate concurring therein, that the South
22 Dakota Legislature recognizes that teachers are in short supply in this state, and that school
23 districts of all sizes are now struggling to retain qualified teachers and to fill teacher vacancies;
24 and

25 BE IT FURTHER RESOLVED, that this Legislature joins school officials in acknowledging
26 that teachers are a highly valued resource in this state, and in exploring tuition reimbursement
27 programs and other programs or policies that could help attract more good people into the
28 teaching profession in South Dakota, and to keep the good teachers that are already here.
